Lemon Sandicho

Web Developer

Professional Summary

Web Developer with hands-on experience in building responsive websites and web systems using Laravel, PHP, JavaScript, and WordPress. Skilled in both frontend and backend development with a focus on user experience and system reliability. Strong academic foundation with proven success in capstone projects and collaborative development environments.

Portfolio: lemon-19.github.io/portfolio

Education

Bachelor of Science

Information Technology

STI College Sta Cruz, Laguna

September 2021 - July 2025

Bachelor of Science

Industrial Technology

Laguna State Polytechnic University

June 2014 - June 2018

Projects

Blog Page Revamp

- Revamped a single blog page template for Sprout Solutions using WordPress, Elementor, and custom CSS for enhanced layout and styling.

Home Page Drawer

- Developed a sliding tab UI on Sprout Solutions' homepage using ACF, HTML, CSS, JavaScript, and PHP to mimic a file-folder interface with dynamic content.

Product Page Template

- Built a customized product page template for Sprout Solutions integrating ACF, HTML, CSS, JavaScript, and PHP for dynamic data rendering.

MediConnect (Capstone Project)

- Led the development of clinic management web system (MediConnect) using Laravel, Bootstrap, and MySQL, enabling patients and clinics to manage health records online. Awarded Best Thesis for innovation and practical impact.

Education

Web Developer Intern

Sprout Solutions | Feb 2025 - May 2025

- Assisted in revamping client websites using WordPress and Elementor.
