SUMMARY

Proactive Web Developer with hands-on experience building responsive websites using HTML, CSS, JavaScript, and WordPress (Elementor, ACF, PHP hooks). Skilled in customizing components and enhancing performance across devices. Recognized for academic excellence (Cum Laude) and awarded for outstanding research. Eager to contribute problem-solving and technical expertise to innovative web development teams.

EXPERIENCE

Web Developer Intern

Sprout Solutions   **February 2025 - May 2025, Philippines**

• Developed and optimized **responsive, user-friendly web pages** using HTML, CSS, JavaScript, and WordPress (Elementor Pro, ACF, and PHP hooks), ensuring cross-browser compatibility and seamless performance across devices.

• Developed customized components using HTML, CSS, and JavaScript.

PROJECT

Product Page Custom Template

Sprout Solutions · sprout.ph/product/concierge/ · April 2025 – April 2025

• Built a dynamic product page template integrating ACF, HTML, CSS, JavaScript, and PHP for automated content rendering, improving site maintainability.

Blog Page Revamp

Sprout Solutions · sprout.ph/articles/how-to-calculate-your-sss-monthly-contribution-in-2025/# · March 2025 – March 2025

• Revamped a single blog page template for Sprout Solutions using WordPress, Elementor, and custom CSS for enhanced layout and styling.
